Subject: Response to congressional inquiry
Attachments: Letter for EPA- Meagan Hull eam 05 27 2020.docx

Hi, Christina. Please find attached a file providing technical comments to help you in responding to the Megan Hull letter. Let me know if this works. Or if you have any questions concerning what I have done. Also I can review the letter you write if that would help.

I've turned to the letter from the Florida Keys Environmental Coalition, but that one looks mostly like demands for materials that are now in the docket. How do you want to handle that one?
